To a very sweet, but sometimes horary girl who is nice to talk to about problems that come up. I would never get along without your advice. Don't let David run off with some other girl, and you don't run off with some other boy. You better make sure you really want him before you marry him. Stay around Louisiana after you graduate next year so I can see you. Good luck in everything you do. Friends Always (Sr 79) Beret Augustine

I wish you the best of luck in everything you attempt to do in life. Good luck with David. You make a cute couple.

Steph,
We've been through a lot together, some good and some bad, but we still remained friends. I only wish that we could go back & start over and make them all good ones and be even closer than we are now. I know everyone in a while we start to grow apart and have our little quarrels but I'll always have a special little place in my heart.
Love ya,
Tamita

# DEDICATION

## "Mom . . . Dad"

It seems as though it were only a few short years ago when I used to look forward to a bedtime story and a chance to lick the cake bowl. But the years flew by and new things filled my desires . . . clothes, the use of the Family car, dates, and MONEY. Yes, and you, Mom and Dad, were the ones who always shared those little things with me. You laughed when I laughed; cried when I cried. You knew and understood that all these things were just a part of my growing stage.

And so, Mom and Dad, I offer this dedication to you to express my appreciation for all the loving memories of your trust, confidence, wisdom, understanding, and love you have given me through these years.

Assembling this year's Le Fentonien has been a rewarding experience for all of us who have worked to make it possible. We would especially like to thank Mr. and Mrs. Kennedy, photographers, and Mr. Buck, our advisor, for helping to make this years annual a success.

We hope that you will find in these pages warm and happy memories of classmates, teachers, and activities that were a part of our school life at Fenton High in 1976-77.

# Eaglettes past Bell City for crown

# wing

WELSH — The Fenton Golden Eaglettes rolled to the District 11-B championship here Thursday night, as they walloped Bell City by the score of 43-23. It was a rather surprising victory for Coach David Degeyter's squad, as they had split with Bell City in two previous games.

Poth clubs will advance to the state playoffs, with the Eaglettes taking on Palmetto in the first round of the playoffs.

The Lady Eagles jumped out to a big 25-point halftime lead then coasted to a 57-29 win.

Kim Talley led the Lady Eagles with 12 and Sheree Stewart had 11 for the Lady Broncs.

The Lady Eagles also took an easy win over the Tigerettes 51-24 as Bernetta Fontenot scored 12 points. The Lady Eagles are now 8-6 while the Tigerettes are still winless.

In the girls game, the Eaglettes and Palmetto were tied at the close of the first period, but David Degeyter's team raced to a 17 point second period, and the game was never in doubt after that.

Barbara Boudreaux and Kim Tally led the Fenton team, hitting 15 and nine points respectively.

Fenton went on a tear in the last 1:37 of the half, outscoring Bell City six to two. Tally began the streak, hitting a 15 foot baseline jumper from the right side to put the Eaglettes up top, 18-6. Kristen Fruge got part of it back, hitting the front end of a one and one to make it 18-7. Gaspard and Boudreaux canned the front end of their foul shots and Fontenot got another lay-up off a steal to make it 22-7 at halftime.

### Fenton-Sulphur

Sulphur only trailed Fenton 19-18 at the half, but the Golden Eagles came on strong in the second half.

Fenton scored 40 points while holding Sulphur to only 17 points in the last two quarters.

Bernetta Fontenot led the Gold Eagle scoring parade with 20 points. Kim Tally had 11 and Barbara Boudreaux 10 to assist her.

For Sulphur, Lurilla Lee led the scoring with 15 points. Tammy Boykin chipped in with 10.

In the girls game, the Eaglettes will be trying to duplicate their earlier pasting of the Midland club.

Coach David Degeyter's club will be searching for their 21st win on the campaign. The Fenton team is currently one-half game out of first place

The Lady Eagles took a 49-30 win over the South Beauregard girls but won a

In the girls contest, the Eaglettes romped to a 53-29 verdict over Starks, and send themselves into a playoff game with Bell City to determne the number one team from the district. That game will be played Thursday night at 7:00 in Welsh.

In the girls game, Fenton got off to a sluggish start, before putting 21 points on the board in the second period to take a 27-13 lead at halftime. Fenton and Starks were tied at the end of the first quarter, six all.

Coach David Degeyter's girls sealed the win, scoring 20 markers in the third stanza, while holding the losers to a mere 10 points. The score at the end of the third period was 47-23.

The Lady Eagles of Fenton initiated play in the tourney, being held in the fabulous new Lake Arthur High gym, by nipping the Kinder girls 38-36.

Bernetta Fontenot hit for 16 big points and Kim Talley added nine for the winners. But Francis Unkel led all scorers with 24. Cheryl Karam added eight.

The Lady Eagles are now 9-6 while Kinder's lassies are 1-1. The Fenton femmes took a solid 26-15 halftime lead but were uncharacteristically shutout in the third period while Kinder managed six points. However they rallied in the final stanza and outscored Kinder 18-13 for the win.

in District 11-B, after upsetting Bell City last Tuesday night.

Barbara Boudreaux, Kim Tally and Renee Manuel will set the trend for the Eaglettes, as they have for most of the year.

dubious honor in the process.

The Lady Eagles now have to face the powerful Lacassine Cardettes in a semifinal round on Saturday. The Cardettes play tonight.

Leading the Lady Eagles were Barbara Boudreaux and Kim Talley with 12 points each.

Degeyter substituted freely in the final stanza and Fenton was able to put only six points on the board, but Starks did not gain ground, as they too got six.

The final score was 53-29 in favor of Fenton.

Donna Gaspard led the Eaglettes with 16 points, while Kim Tally and Barbara Boudreaux aided the cause, hitting 10 and eight points.

Robin West, of Starks took game honors scoring 17 markers in the contest.

The win left Fenton with a 23-11 mark and seven and one in loop play. Starks is 7-31 and finishes loop action at zero and eight.

The Eagles, now 23-2, whopped the Broncos 81-64 behind the 20-point performance of David Goodley and the 17 points of Roland Buller.

Benet Augustine and Mike Clophus added 15 and 14 in the tough Eagle squad effort.

George Dowden of the Broncos led all scorers with 22 points and Randy Rials and Glenn Duhon added 11 and 10 points.

Fenton remained victorious despite a 32-point fourth quarter by the Broncos. That was accomplished by 31 points of their own in the final period.

The headliner in tonight's District 11-B action is the Fenton-Midland contest.

The two Class B powerhouses met earlier in the year, with the Eagles putting on a last minute burst to take a 59-51 victory.

Things will be rougher this time around for Coach Richard McNabb's club, as they have to travel to unfriendly confines of the Rebel camp.

McNabb hopes to get another top effort from his big man, Roland Buller. The 6-5 Buller bucketed 22 points in the last outing between the last year's Class B state finalists.

Fenton was idle this past Friday night, but will bring a 29-4 record into tonight's game. The Eagles are presently undefeated in loop play at five and zero. Midland is 30-8 on the year, and their only defeat in district play was at the hands of Fenton. They are five and one in district action.

**Fenton**

The powerful Fenton Eagles guided by Coach Richard McNabb find themselves in a heated battle for the District 11-B title with Midland. At this writing, Coach McNabb's team stands at 29-4 overall and five and one in district, which ties him for the loop lead with the Rebels. It was the same team, Midland, which Fenton defeated to win the Class B title last year.

McNabb is unique in that he doesn't run anyone's offense, but has three, which he created himself. Against a man-to-man the Eagles will go into a shuffle, that finds the man cutting away from the ball. This type offense tries to get the ball down low to big Roland Buller or on the high post to Buller or someone else. If this isn't successful, Fenton will go to an offense if the defense starts to sag in the middle to stop the big kid. It is a type of stack, where McNabb will bring his two big men out to the high post and stack them, and cut his other players off screens trying to free one for a drive inside or the shot off the wing.

Buller is the big gun in the Eagle attack, and is scoring over 20 points per game. David Goodley and Michael Clophus are other shooters in the Eagle line-up, with Goodley, who stands at 6'1, possibly the best outside shot. The Eagle mentor will rely on Bruce McNabb to bring the ball up the floor and set up the Eagle offense. The Eagles get strong board work from Buller, Clophus, and Calvert Lemonia.

Should Fenton win the district outright, they will play either Palmetto or Morrow from District 12-B. I they finish second in their loop, they more and likely will meet Washington, which is from the same loop.

The Eagles rely on a 1-2-2 zone on defense, but is unusual in most respects, in that McNabb puts his big men out high. This normally would take away from a team's rebounding power, but it hasn't seemed to hurt the Eagles.

Richard McNabb is an innovator, and he probably will invent a way to push his Eagles right back into the Top Twenty, and another Class B crown.

## Fenton whacks Tigers

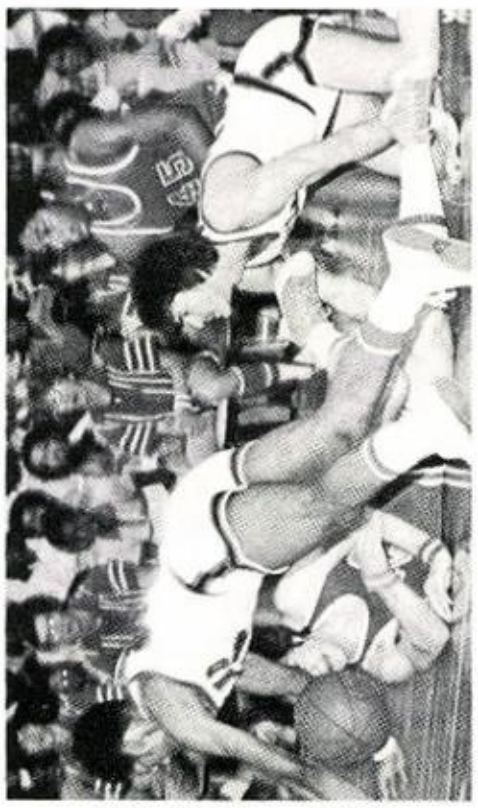
FENTON — The hometown Eagles upped their winning record to 15-1 Tuesday night at the further expense of the winless Lake Arthur Tigers.

The Eagles again did the trick by romping past the Tigers 62-47 behind the 18-point performance of Roland Buller and 17-point output of Michael Clophus. David Goodley added 11 points.

Claude Charles of the Tigers pumped in 24 for the visitors but it was to no avail.

Substitute Greg Manuel tacked on the final two points for Fenton by hitting on a 35-foot shot just before the buzzer sounded.

For the Panthers Chris Evans hit for 21 points, Ricky Mayo for 20 and Kenneth Sias for 18.



**Lake Charles — Fenton**

After failing behind 4-0 in a cold start, not scoring for two minutes, the Wildcats reeled off 10 straight points to take the lead which they never relinquished.

The Eagles held their own with the Cats in the first half as Roland Buller and Benet Augustine bombed the nets over the Cats' zone defense, pulling to within one point with 4:59 remaining in the first half.

With David Jones hitting for seven second-quarter points, Lake Charles pulled away for an eight-point margin at halftime.

Preston Williams with eight third-quarter points helped the Cats open up a 10-point lead after three quarters.

The Eagles were held to two points by the Cats' pressing zone defense while Lake Charles bombed the nets for 13 to open up a 21-point lead and blow the game open.

Harmon, with 10 fourth-quarter points, took game scoring honors for the night as he led the 'Cats with 24 points. Jones scorched the nets for 22 points while Williams, playing with three fouls for three quarters, pumped in 16 points.

Fenton placed three men in double figures also as Augustine fired in 17 points, Roland Buller hit for 16, and David Goodley added 14 points.

CROWLEY-The Fenton High School basketball teams took wins here yesterday in the Region III Class B tourney. The Eagles downed Palmetto by the score of 61-36, while the Eaglettes rolled to a 48-30 victory, that too coming over Palmetto.

David Goodley got 18 points to lead the Golden Eagles, and Bruce McNabb picked up 13 tallies to aid Goodley.

Fenton jumped to an early first period lead, 20-6.

DEQUINCY — Two DeQuincy basketball teams made it to the finals Saturday in the DeQuincy High School Invitational tournament but both teams came out on the losing side of the ledger.

The Fenton boys' team defeated DeQuincy 67-55 despite a 32-point outburst by the Tigers' 6'5" forward-post Sylvester Jones. Jones, who hit 14 of 21 shots from the field, pulled down 14 rebounds.

Fenton won the championship behind a balanced scoring attack led by David Goodley with 21 points. He was assisted by Roland Buller with 16 points and Bruce McNabb 14

Buller led the squad in scoring with 22 and 15 points respectively.

The Eagles will now move up into the semifinal bracket Saturday to take on the Bell City squad.

The Eagles' boys squad crushed Hackberry in a first round action game 75-28. David Goodley and Roland

It's not unusual to see Boston running in a basketball game. But the format was slightly different in the West Lake-First National Bank Holiday Classic.

Fenton showed its heels to the Panthers, blitzing them 116-73 Wednesday night. Other results in the winner's bracket had Alexandria High School edging by Lacassine 50-47, Lake Charles clipping Washington 80-72 and Marion downing LaGrange 78-71.

In the consolation bracket, Barbe rallied to beat St. Louis 59-50 and Sulphur crushed West Lake 62-46.

**Fenton-Boston**

Fenton put the game out of reach in the second quarter, outscoring Boston 17-4 and never looking back.

Fenton's pressure defense forced the Panthers into numerous turnovers which the Eagles converted into easy baskets.

In that torrid second quarter, Fenton connected on 14 of 17 shots.

Sparking Fenton's offense in the first half were Bruce McNabb, Michael Clophus and David Goodley.

McNabb singed the nets for 22 points in the first half and finished the game with 33 points. Clophus had 18 and finished with 24. Goodley had 15 and finished with 25.

Roland Buller played a strong game under the backboards and came through with 18 points for the night.

The pace didn't slow down in the third quarter. Fenton outscored the Panthers 28-12 and crossed the 100-mark early in the final period.

Boston was able to outscore Fenton only in the final period. The Panthers rang up 26 points, but Fenton wasn't far behind with 25.

With 4:30 left in the game, the Eagles started removing their starters

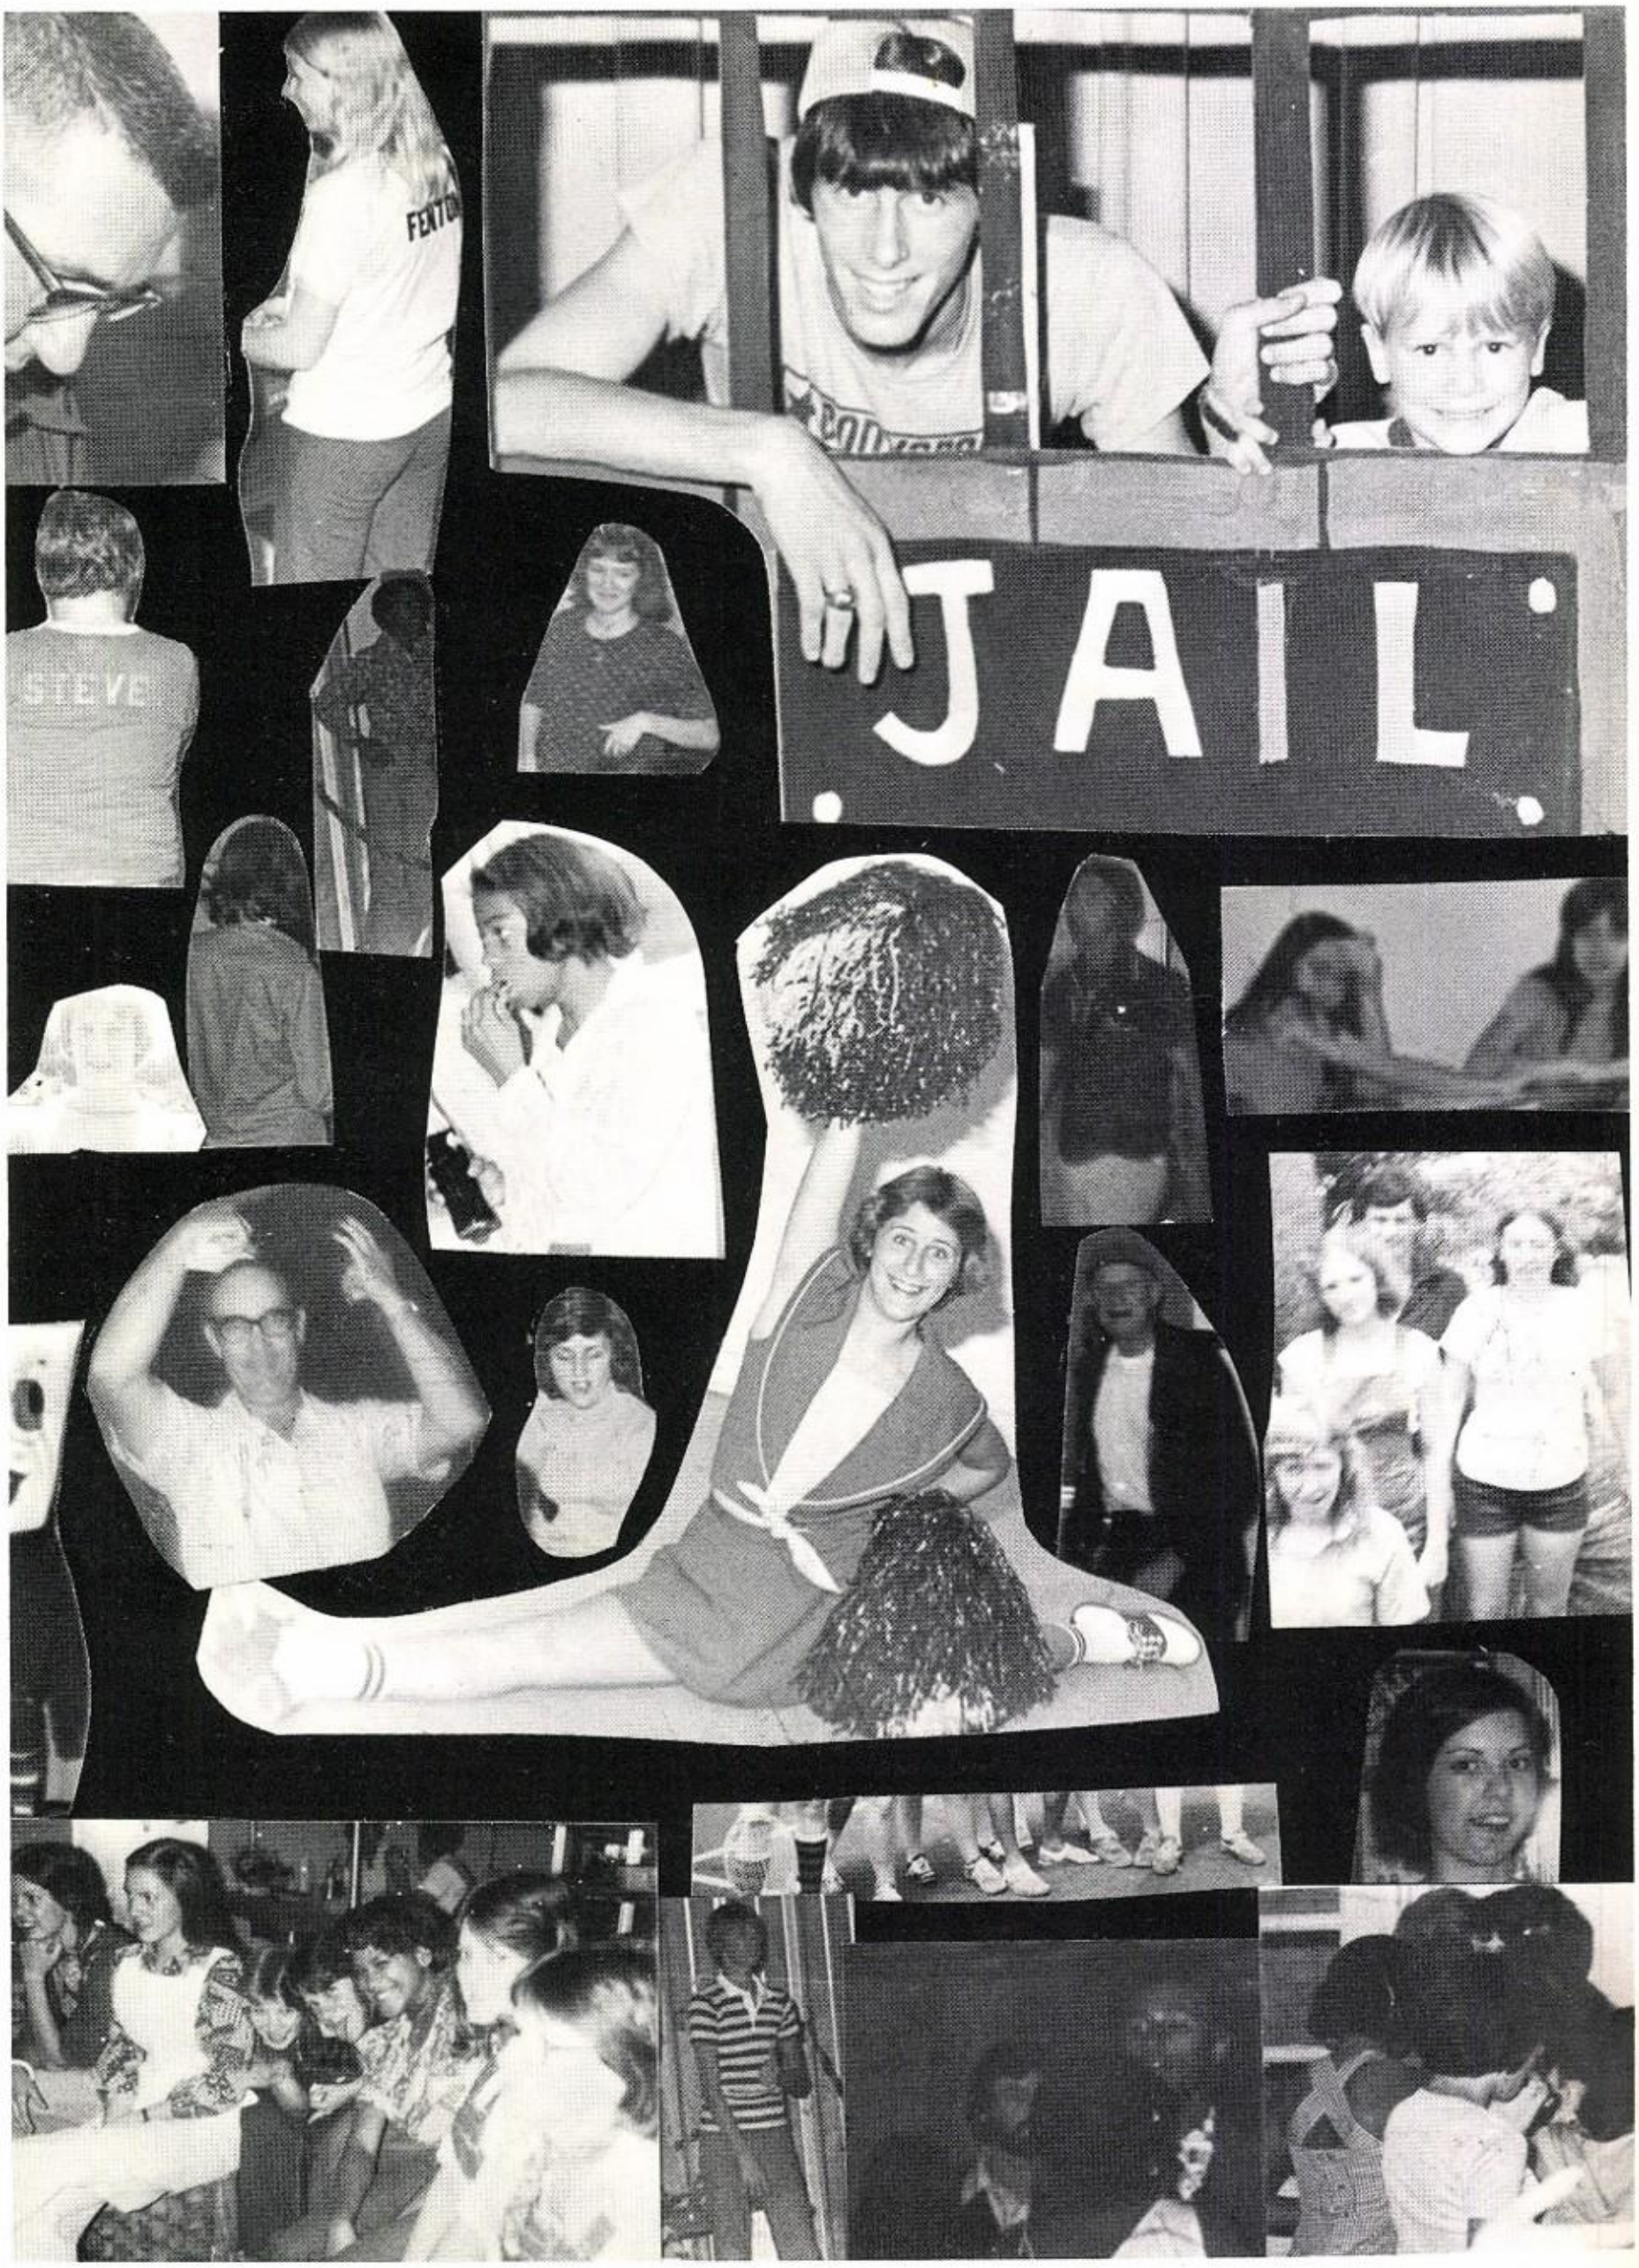
# Snapshots



Stephanie, 2/20/78
2:00

I don't know where to start so I guess I'll start here. I'll try to remember all the good things about you and try to forget all the bad ones. So I guess I'll just try to forget the night you couldn't get in the KEG, and we went riding and you got so drunk you didn't remember anything. And the time we left from the dance and went parking, when you got cold, I went to start my truck and the battery was DEAD. I had to run back to Fenton. 2 mi.

Do you know your the only girl I went with and didn't have a fight. You must be doing something right. Well keep it up, and good Luck in the future with me. You might need it (Just pikin)

They just don't make the pages as long as they used to.
